note: image may be larger than it appears

You are cruising along the shore of Hudson Bay when you see 1300 lbs of flashing white fur bearing down on you. Suddenly, he rears up on his hind legs, nostrils flaring in a cloud of steam only inches from your pounding heart. No, it’s not a dream. You’re nose to nose with the Arctic’s mightiest and majestic mammal, the polar bear. From the safety of your tundra buggy, you capture these magnificent beasts and their rambunctious offspring during the true northern adventure of a lifetime. Your task is deceptively simple: just breathe and operate your camera at the same time.

Dates & Prices

Polar Bear Expedition October to November 2008,
7 days from \$4,495 USD
